SUBJECT: UAE ASSISTANCE TO LEBANESE INTERNAL SECURITY FORCES

REF: ABU DHABI 3686 (NOTAL)

ABU DHABI 00004213 001.2 OF 002

Classified by Ambassador Michele J. Sison, reasons 1.4 (B)
and (D).

¶1. (C) On November 3, International Affairs Director Yousef Al-Otaiba from the office of Abu Dhabi Crown Prince Mohammed bin Zayed (MbZ) gave Ambassador a list of UAE security assistance contributions to Lebanon. The list is focused on Internal Security Forces (ISF) and police requirements only; Embassy translation is repeated in para three. The list is in three parts: 1) items delivered, 2) items whose delivery is underway, and 3) a master list of 43 requirements, most of which are also included in the delivery lists. The third element of the list presumably reflects overall GOL requests to the UAEG.

¶2. (C) Comment and action request: The UAE has repeatedly expressed interest in coordinating donations with the USG to gain synergy of effort. This list will hopefully contribute to that end. Post will inquire whether a separate list applicable to the Lebanese Armed Forces (LAF) might also be available, as well as to ascertain whether this list is in direct response to specific requests from the GOL. Our efforts are more effective if they reinforce GOL requests made directly to the UAEG. Post recommends that Embassy Beirut try to make contact with the UAE security assistance cell operating in Lebanon to seek responses to these same questions. End comment and action request.

¶3. (SBU) All delivery dates in the following list are 2006. Please treat as SENSITIVE; the UAEG classification of the list is "secret."
